WHAT IS THE GREAT APPLE CRUNCH?

The Great Apple Crunch encourages healthy eating and supports farm to school and other local food purchasing initiatives throughout the region. It's also a fun way to connect food and agriculture to classroom curricula – from science to art & more!

Join the Midwestern states of Minnesota, Wisconsin, Illinois, Indiana, Michigan, Iowa, and Ohio in celebrating [National Farm to School Month](#) ↗ by crunching into locally and regionally grown apples at **NOON on the second Thursday in October**. Of course, if you are unable to participate at the exact date and time, we still encourage you to plan an Apple Crunch event anytime during October's National Farm to School Month.

Participants of all ages are invited to crunch!

PROMOTE YOUR CRUNCH

Once your planning team has established your Great Apple Crunch activities, share the word with your entire community, office, agency, and partners to build the excitement and increase participation. Here are some general outreach ideas:

- Announce the event in your staff, office, or community newsletter or e-newsletter. Use this as an opportunity to invite volunteers to lead Apple Crunch activities, find local apples, or invite a local farmer to come visit.
- Promote the event through social media using the hashtags [#GreatAppleCrunch](#), [#WIAppleCrunch](#) and [#F2SMonth](#). On Facebook, repost the "We Registered" badge, and share the Crunch Countdown posts.
- Arrange a special Apple Crunch planning meeting that's open to the public—be sure to find a time where many community members can join.
- Create flyers or posters to hang around your office, business campus, or eating space. Use the Great Apple Crunch logo to advertise, or create your own design.
- Talk to the chef or cafeteria staff about including a local apple dish on the Crunch Day menu, or purchasing local apples for your Crunch. Put the Crunch on the office menu, and highlight your local farmer.

SHARE YOUR STORY

It's not a Crunch heard 'round the region' unless you get the word out far and wide!

- Inform local newspapers and television reporters about your Apple Crunch. Send a press release or invitation to join your event. [Click here ↗](#) for a template press release to customize for your outreach. Use the celebration as a way to share more about your farm to school activities, local food purchasing, and **National Farm to School Month**.
- Get out your camera, smartphone, or video devices and take a “crunch byte” to share through social media.
- Share your event widely through Facebook! Post to your page and with the Great Apple Crunch pages too!
Facebook: www.facebook.com/GreatLakesGreatAppleCrunch ↗
- Use the hashtags **#GreatAppleCrunch** **#F2SMonth** **#WIAppleCrunch** and **#WIF2S** to share your images on Facebook.
