Name _____

Farmer Frannie

Help the farmer get to the chili by filling in the missing numerals.

The maze consists of several paths of circles. The starting point is a circle containing a farmer wearing a hat and overalls, holding a chicken. The goal is a circle containing a pot filled with various vegetables like corn, tomatoes, and pumpkins. The path from the farmer to the pot includes circles with the numbers 1, 2, 4, 7, and 9. Another path from the farmer includes circles with the numbers 1, 12, and 16. A third path from the farmer includes circles with the numbers 1, 19, and an empty circle. There are also several empty circles scattered throughout the maze.
